NexTec Recruiting Services Background

## NexTec Recruiting Services - Background

NRS (NexTec Recruiting Services) provides recruiting services to help organizations hire senior level consultants, salespeople, developers, end-users and other IT and accounting professionals. NRS has over 40 years combined industry experience and has become a premier provider of top-notch professional talent to our clients throughout North America with a particular focus on mid-tier ERP.

### Our Services Include:

- **Position definition** – We confirm the requirements and responsibilities of the position, and provide sample candidates to calibrate the validity of the job description.
- **Candidate sourcing** - Using a variety of techniques we source both active and passive candidates that are not commonly accessible.
- **Candidate screening** - We carefully assess each candidate's experience and background as they relate to the specific requirements of the job description.
- **Candidate presentation** – We present candidates in a carefully defined manner that assures that you thoroughly, but easily, understand all of the relevant factors that qualify the candidate.
- **Job offer negotiation** - We help you negotiate a satisfactory job offer and acceptance.
- **Logistics** - We help you with logistic issues such as relocation and visa sponsorship.

### Our Focus:

NRS focuses exclusively on the needs of the IT/ERP industry. Our rich databases and proprietary searching techniques have made us a trusted resource for ERP and IT career and candidate searches across the country.

NRS continuously builds strong relationships with companies in order to understand their needs and to fulfill their hiring requirements. We've placed Controllers, Accountants, Developers, ERP Consultants and Users, Executive Managers, Sales and Marketing Professionals and more nationwide.
